Member Acknowledgment	
By participating in the sick leave program and by agreeing to have insurance payments administered by PERSI, I authorize PERSI to release certain information to my former employer and to the insurance company to service my insurance policies during the year and for annual renewals. Idaho Code §67-5339 and §33-1228 require any unexpended sick leave benefits to revert back to the general sick leave fund if you die before you use them, and they cannot be transferred to a spouse or beneficiary. If I choose Election 2 or Election 3, I understand that such a reversion is more likely to occur because the same benefits are spread over an extended period.
